**The safest way to celebrate is at home with people who live with you.**

## Have virtual celebrations with loved ones

- Attend a virtual concert or performance.
- Plan a virtual countdown to midnight with friends.

## Plan a New Year's party for the people who live with you

- Decorate, play music, and have a dance party with the people who live with you.
- Have a pajama party and watch your favorite movies or play games.

## Reach out to family, friends, and neighbors

- Call friends and family to count down to the new year together.
- Plan a neighborhood countdown to midnight. Everyone can stand in front of their houses and cheer at midnight.

## Other ideas

- Watch a livestreamed firework display, concert, First Night event, or other New Year's programming from your home.
- Plan an outdoor activity with people you live with such as a hike or sledding.
- Set new year's resolutions. Find out if your hometown is sponsoring a special social media event and share your resolutions.
